Subject: Violation for failure to submit the required Operating Report(s) and report monitoring results

A review of our records indicates that the Plant Distribution Monthly Operation Report (5002), and the Total Chlorine Residual Quarterly Operating Report (5114) for your water supply have not been submitted for the month of March 2007. Failure to submit the required reports constitutes a violation of the Ohio Administrative Code (OAC) Rule 3745-81-31 and Section 6109.12 of the Ohio Revised Code.

These reports **must** be submitted to this office by the tenth day of the month following the reporting period. The reports for the month of March 2007 must be forwarded to my attention within 30 days.

If you have any questions, please contact me at (740) 380-5275.

Sincerely,

Randy R. Smith
