**Subject: Major and Minor Violations of the Consumer Confidence Report Requirements**

Ohio EPA received the Village of Lowell PWS Consumer Confidence Report (CCR) for 2009. The CCR was reviewed for the required content. Based on our review, the Village of Lowell PWS water system is in violation of rules 3745-96-01 through 04 of the Ohio Administrative Code for failure to comply with the CCR requirements. The following violations were noted:

- The CCR was not provided to customers by June 30, 2010.
- The content of the CCR did not provide the status of your License To Operate.

Be sure to correct the violation as appropriate in your next CCR. The next report for calendar year 2010 must be sent to your customers no later than June 30, 2011. A copy of the CCR along with a Certification Form must be submitted to this office no later than July 1, 2011.
