Facility ID: 0142000015
Facility Name: Potemkin Industries Inc.
Location: 117 E. High
Mount Vernon, OH 43050

Dear Ms. Hamilton:

Ohio EPA, Division of Air Pollution Control, Central District Office has learned that the facility identified above has installed and has been operating air contaminant sources prior to applying for and obtaining an Air Permit-to-Install and Operate (PTIO) from the Ohio Environmental Protection Agency (Ohio EPA).

The installation and operation of any stationary air pollution source without first applying for and obtaining a PTIO constitutes a violation of OAC rule 3745-31-02. The Ohio Administrative Code (OAC) rule 3745-31-02 (A) states that *no person shall cause, permit, or allow the installation of a new source of air pollutants...without first obtaining a PTI from the director.*

Please submit all necessary permit applications within 30 days of receipt of this letter. A PTIO application is enclosed. Please note that the Ohio EPA has the authority to seek civil penalties as provided in section 3704.06 of the Ohio Revised Code (ORC). This letter or information pursuant to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in the ORC. The decision on whether or not to seek such penalties will be made by the Ohio EPA at a later date.

If at some time in the future this facility plans to install/modify an air contaminant source, please contact me to obtain the appropriate forms and discuss the applicability of any rules in question. Ohio EPA will endeavor to process all applications in an expeditious manner.
