NOTICE OF VIOLATION

May 9, 2011

Larry Carfrey
12309 Graham Drive
Orient, OH 43146

Dear Mr. Carfrey:

This letter confirms our conversation of May 5, 2011 wherein I advised you that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19-04(A). These actions are subject to fines and penalties.

Specifically, at 12309 Graham Drive, Orient, Ohio and on May 1, 2011 you were open burning landscape waste within 1,000 feet from the nearest inhabited building off your premises. As the fuel area was approximately 5-6 feet in diameter and 3 feet high, this would not qualify as a pleasure fire. Also, there were leaves in the fire which are not as clean burning as clean seasoned firewood.

This letter is not a final action of Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3308.

Sincerely,

David Burroughs
Environmental Specialist
