NOTICE OF VIOLATION

September 23, 2010

Ron Boyer
3505 Peel Road
Radnor, OH 43066

Dear Mr. Boyer:

This letter confirms our conversation of September 22, 2010 wherein I advised you that you have been open burning in violation of Ohio Administrative Code (OAC) 3745-19. These actions are subject to fines and penalties. As the property owner, you have the ultimate responsibility.

Specifically, on September 21, 2010 and at your address, you were open burning construction debris. Additionally, there was evidence of open burning tires, bowling balls, lead cell batteries, fiberglass, furniture, and various plastic materials. Additionally, there was evidence of the open burning of landscape waste within 1000 feet from the nearest inhabited building off said premises.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
