NOTICE OF VIOLATION

Keith Carroll
539 W. Wheeling Street
Lancaster, OH 43130

Dear Mr. Carroll:

This letter confirms our conversation of July 6, 2010 wherein I advised you that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19. These actions are subject to fines and penalties.

Specifically, on July 6, 2010, and at 13882 E. State Route 56, Kingston, Ohio, you were open burning a barn. Additionally, we are noting that I asked you to put out the illegal fire and you refused. In fact, you added additional construction debris to the fire.

We are also noting that on July 7, 2010, I returned to your property and you had torn down 2 additional structures and they were also burning.

This letter is not a final action of Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
