**NOTICE OF VIOLATION**

July 12, 2010

Wayne Schoff  
6950 Pickerington Road  
Carroll, OH 43112

Dear Mr. Schoff:

This letter confirms our conversation of July 7, 2010 wherein I advised you that you have been open burning in violation of Ohio Administrative Code 3745-19-04(A). These actions are subject to fines and penalties.

Specifically, on July 4, 2010, you were open burning garage doors at 6950 Pickerington Road, Carroll, Ohio. You claimed that the garage doors were unpainted and that you were having a pleasure fire. We might accept that unpainted doors might burn as clean as seasoned firewood, however, pleasure fires are limited to a fuel area of 3 feet or less in diameter and 2 feet or less in height. Your fire did not meet these criteria as it was probably greater than 10 feet in diameter.

We are noting that we sent you a Certified Notice of Violation on July 13, 2005 for illegal open burning.

We are also noting that on November 17, 1995, we sent you a letter advising you to cease all open burning.

This letter is not a final action of the Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs  
Environmental Specialist  
Division of Air Pollution Control  
Central District Office
