NOTICE OF VIOLATION

March 26, 2008

Clint Clark
246 Laurel Lane
Pataskala, OH 43062

Dear Mr. Clark:

This letter confirms our conversation of March 24, 2008, wherein I advised you that you were open burning in violation of Ohio Administrative Code rule 3745-19. These actions are subject to fines and penalties.

Specifically, on March 24, 2008, you were open burning landscape waste at 7072 National Road, Pataskala, and this open burning was occurring within 1,000 feet from the nearest inhabited building off said premises. Additionally, there was a pile of burned copper wire at the scene. It is a violation to open burn the insulation off of copper wire anywhere in the State of Ohio.

This letter is not a final action of the Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
