Dear Mr. Aills:

This letter confirms your conversation of March 27, 2008, with the Washington C. H. Fire Department, wherein they advised you that you were open burning in violation of Ohio Administrative Code 3745-19. These actions are subject to fines and penalties.

Specifically, on March 8, 2008 and at 814 E. Market Street, Washington C. H., Ohio, you were open burning the coating off of copper wire.

This letter is not a final action of the Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.
