Dear Mr. Thompson:

This confirms a visit by the Franklin Township Fire Department to your residence at 1495 Little Avenue, Columbus, Ohio on November 13, 2007 wherein they observed that you were open burning in violation of Ohio Administrative Code 3745-19. These actions are subject to fines and penalties.

Specifically, you were open burning scrap construction debris. Additionally, this open burning was occurring within 1,000 feet from the nearest inhabited building off your premises.

This letter is not a final action of the Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
