NOTICE OF VIOLATION

October 1, 2007

Chris Lucas
1693 Abbotsford Green Drive
Powell, OH 43065

Dear Mr. Lucas:

This confirms our conversation of September 27, 2007, wherein I advised you that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19. These actions are subject to fines and penalties.

Specifically, on September 25, 2007, and at 5350 Olentangy River Road, Delaware, Ohio, you were open burning land clearing waste without a permit from Ohio EPA. Additionally, you were open burning within 1000 feet from the nearest inhabited building off the premises. Also, you were open burning this land clearing waste without the use of an air curtain destructor. We also understand that you demolished and burned a couple of outbuildings.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
