Dear Mr. Moran:

This letter confirms our conversation of September 6, 2007 wherein I advised you that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19. These actions are subject to fines and penalties.

Specifically, you were open burning tires, demolition debris, fiberglass, plastic materials, box springs, a mattress and other miscellaneous materials at 7518 Warner Huffer Road, Circleville, Ohio. Additionally, you were open burning within 1,000 feet from the nearest inhabited building off said premises.

This letter is not a final action of the Director of Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
