Dear Mr. Craig:

This letter confirms our telephone conversation of May 22, 2007, wherein I advised you that you were open burning in violation of Ohio Administrative Code 3745-19. These actions are subject to fines and penalties.

Specifically, on May 19, 2007, you were open burning straw at about 3000 Yeoman Road, Washington Court House, Ohio and this open burning was occurring within 1000 feet from the nearest inhabited building off your property.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.
