NOTICE OF VIOLATION

January 17, 2007

John McDavid
Hartford Fair
14028 Fairgrounds Rd. NW
Croton, OH 43013

Dear Mr. McDavid:

This letter confirms our conversation of December 29, 2006 wherein I advised you that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19. These actions are subject to fines and penalties.

Specifically, you have been open burning construction debris at 14028 Fairgrounds Rd. NW, Croton, Ohio. This material would not fall into the definition of "agricultural waste" as used in the Ohio EPA's Open Burning Rules.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
