NOTICE OF VIOLATION – ACTION REQUIRED

July 28, 2008

RE: Coshocton County
Mohawk Dam Camp
Transient Non Community
PWS ID: OH1635012

USACE Mohawk Dam
36007 SR 715
Warsaw, OH 43844

Subject: Failure to Sample Drinking Water for Total Coliform as Required

Mohawk Dam Camp is in violation of Ohio Administrative Code (OAC), Rule 3745-81-21 for failure to comply with the total coliform monitoring.

Monitoring Period:	Second Quarter of 2008
Required Coliform Monitoring:	1/Quarter
Sample Results Submitted:	None

To ensure the safety of drinking water provided by your system monitoring for total coliforms is essential.

ACTION REQUIRED:

- 1. Notify the people served by this water system** using one or more of the methods and the timing as required by OAC, Rule 3745-81-32 to reach all persons served. The appropriate methods for your system are listed below.

Transient Non Community
<p>Timing: As soon as practical, but no later than 30 days after learning of the violation:</p>
<p>Methods: Posting in conspicuous location, such as bulletin boards, restrooms, drinking fountains, vending areas</p>
<p>Posted notices must remain in place as long as the violation or situation exists, but in no case less than seven days (even if the violation is resolved). The language in italics on the enclosed public notice is mandatory and must be included, as written. Do not make changes to the public notice without consulting with the Ohio EPA beforehand.</p>

2. **Complete the enclosed Verification Form within 10 days of issuing the Public Notice** and mail it to Ohio EPA - Southeast District Office. Include a copy of each notice distributed, published or posted.

If total coliform samples were collected as required, submit the results as soon as possible. The monitoring violation would be rescinded and a reporting violation given for late submittal of the results.

If you have any questions, contact this office at 740-380-5201.

Sincerely,

Mike Moschell
Inspector

DRINKING WATER NOTICE

Monitoring requirements were not met for Mohawk Dam Camp

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During Second Quarter of 2008, we did not monitor or test for total coliform bacteria, and therefore cannot be sure of the quality of your drinking water during that time.

What Should I Do?

- *There is nothing you need to do at this time. You do not need to boil your water or take other corrective action.*
- *This notice is to inform you that Mohawk Dam Camp did not monitor and report results for the presence of total coliform bacteria in the public drinking water system during the Second Quarter of 2008 time period, as required by the Ohio Environmental Protection Agency.*

What is being done?

Upon being notified of this violation, the water supply was required to have the drinking water analyzed for the above mentioned parameters. The water supplier will take steps to ensure that adequate monitoring will be performed in the future.

For more information, please contact _____ at _____
name of contact phone number
or at _____
mailing address

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
