Dear Ms. Osterman and Mr. Allen:

Thank you for Ms. Osterman's responses to Ohio EPA's February 28, 2013 Notice of Violation letter. The responses were received via email on March 13, March 24 and April 1, 2013. The documentation which was submitted included analytical results indicating that spent filters are not a hazardous waste, descriptions of the process used to manage spent filters, and revised pages of the company's contingency plan.

My review of this documentation reveals that Merillat has now abated all violations discovered during the January 9, 2013 inspection.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at donna.goodman@epa.state.oh.us.

Sincerely,

Donna Goodman
Inspector
Division of Materials and Waste Management
