Termination of Director's Final Findings and Orders

Dear Mayor Klopfenstein:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders issued to you on May 9, 2011. DDAGW has verified that all outstanding obligations under the Director's Final Findings and Orders have been performed.

Therefore, as of the date of this letter, the Director's Final Findings and Orders issued to the Village of Elida on May 9, 2011 are terminated. This termination in no way relieves the Village of Elida's public water system of responsibility for future compliance with Ohio's safe drinking water laws.

Should you have any questions regarding Ohio EPA's termination of the Director's Final Findings and Orders, please contact Ken Baughman, Ohio EPA Enforcement, at (614) 644-2752.

Sincerely,

Michael G. Baker, Chief  
Division of Drinking and Ground Waters
