RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Jackson:

On March 28, 2013, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requiring AFCOSE Group LLC (AFCOSE) to submit notifications about asbestos abatement projects with accurate dates of asbestos removal. Following the NOV's issuance, CDAQ received revisions to the original notification on April 1, April 8, April 14 and April 15, 2013.

The corrective action was received in a timely manner and appropriate steps were taken to bring the project into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216-664-3004. All correspondence with CDAQ must include the Ohio EPA project identification number for the renovation located at 10617 Lee Avenue: CL 13 1327.

Sincerely,

Valencia White
Chief of Enforcement, CDAQ
