Dear Mr. Sanford:

On April 10, 2013, I received correspondence from you regarding the clean-up of scrap tires from a property located at 17033 State Route 73 near McDermott in Scioto County. The submittal contained copies of receipts from Pike Sanitation Landfill for a 20 yard roll-off container and a scrap tire disposal receipt from Bob & Floyd Tires in Portsmouth.

I conducted a follow-up visit to the site on April 4, 2013, to observe the property. No one was available at the time of my visit. I did however view the area and determined that at this time it appears the clean-up of this site is in compliance with all applicable rules. Your prompt attention to this matter is appreciated by this office.

Should you have any questions regarding this letter, please feel free to contact me at your convenience at 740-380-5439.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Joe Holland", is written over the typed name.
