Dear Mr. Wine:

I am writing this letter in response to a complaint received by this office March 27, 2013. The complaint alleges that you haul house trailers to your property, demolish them and burn the wastes.

On April 2, 2013, I investigated this complaint and spoke to you and your daughter. Evidence of the open burning of wood, plastics, insulation, box springs from a bed, tires, demolition wastes and other solid waste materials was observed. As I explained at that time, plastics, demolition wastes (wastes from the house trailers) garbage, furniture, tires, or any type of waste that is hauled to your property cannot be open burned. These types of wastes cannot be burned anywhere in Ohio.

Open burning of improper waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. I am enclosing a copy of this rule for you. All open burning in violation of the requirements specified in OAC rule 3745-19-04 must stop immediately. If you continue to open burn improper waste materials at this location or any other location in Ohio, legal action will be taken against you.

Please provide a written response from you, within 14 days of receipt of this letter, which includes a commitment from you to stop open burning in violation of OAC rule 3745-19-04, a plan and schedule for cleanup of the burn area and any remaining solid waste materials, and a copy of the landfill receipt as proof of proper disposal. Acceptance by Ohio EPA of a schedule for compliance does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in section 3704.06 of the Ohio Revised Code. The determination to pursue or to decline to pursue such penalties in this case will be made by Ohio EPA at a later date.

A copy of this letter is being forwarded to Ohio EPA's Division of Materials and Waste Management (DMWM). The information in this letter will be evaluated by DSIWM and
