Open Dumping of Solid Waste and Illegal Disposal of C&DD at the Preserve at Willows Crossing – Return to Compliance

Dear Mr. Thomas:

By letter dated September 24, 2012, I sent you a notice of violation regarding the open dumping of solid waste and the illegal disposal of construction and demolition debris that took place on September 14, 2012 at the Preserve at Willows Crossing. On October 11th and October 12th, 2012, I returned to verify that these items were removed and properly disposed of. The materials were uncovered by your contractor, Larry Maronda, and the materials removed for disposal by Professional Hauling.

Since these materials have been uncovered and removed for proper disposal, Village Communities has abated the violations described in my letter of September 24, 2012. Please note that any further violations of open dumping of solid waste or illegal disposal of construction and demolition debris may result in escalated enforcement being taken by this Agency.

If you have any questions regarding this matter, please feel free to contact me by telephone at 728-3890, or by email at phil.farnlacher@epa.state.oh.us.

Sincerely,

Phil Farnlacher
Division of Materials and Waste Management
