**RE: SO FRESH USED AUTO SALES, LLC
 SUMMIT COUNTY
 RETURN TO COMPLIANCE**

Mr. Charlie Harris
 Ms. Jacqueline Harris
 So Fresh Used Auto Sales, LLC
 436 Wellington Avenue
 Akron, Ohio 44305

Dear Mr. and Ms. Harris:

This letter provides a notice of return to compliance, as identified by the Ohio Environmental Protection Agency (Ohio EPA) during inspections on March 18, 2013 and April 8, 2013 at So Fresh Used Auto Sales, LLC, located at 436 Wellington Avenue, Akron. Charlie Harris is the property owner. The business owner is Jacqueline C. Harris.

On April 8, 2013, Lynn Sowers and I, representing Ohio EPA, inspected the Wellington Avenue site. This was a reinspection to check compliance concerns identified during inspections on June 12, 2012 and documented in a notice of violation dated June 27, 2012; July 16 and 31, 2012 and documented on August 22, 2012. Julie Brown, representing Summit County Public Health (SCPH), also inspected the site on April 8, 2013, earlier in the morning.

Ohio EPA only needed to look in the garage building because during the previous inspection on March 18, 2013, the back yard and inside the semi-trailers was inspected and determined to be in compliance with Ohio's scrap tire rules.

The inspection revealed that So Fresh Used Auto Sales, LLC has adequately demonstrated abatement of all violations discovered during Ohio EPA's June 12, July 16 and 31, 2012 inspections as listed below.

Letter Citation #	Rule Citation
1. (6-27-12) (8-22-12)	OAC rule 3745-27-60(B)(7)(e), maintain a fire break in the back yard storage area.
2. (6-27-12)	OAC rule 3745-27-60(C), maintain mosquito control and mosquito treatment records.
3. (6-27-12)	OAC rule 3745-27-57(E), keep shipping papers at principal place of business.

4. (6-27-12) (8-22-12)	OAC rule 3745-27-60(B)(7)(c), keep any outdoor scrap tires at least 25 feet away from the So Fresh building.
5. (6-27-12) (8-22-12)	OAC rule 3745-27-60(B)(4)(b)(i), keep semi-trailers containing scrap tires at least 56 feet away from neighboring buildings not owned by So Fresh. Keep semi-trailers parked so as to not block easy removal of trailers in case of fire. Trailers must keep tires dry; trailer doors should be closed and trailers should have no leaks.

Therefore, So Fresh Used Auto Sales, LLC has satisfactorily achieved compliance regarding Ohio EPA's scrap tire rules. Should you have any questions, please feel free to call me at (330) 963-1286.

Sincerely,

Dave Dysle
Environmental Specialist
Division of Materials and Waste Management
