**Re: Notice of Violation Rescinded  
Class IV Compost Facility plan view drawing  
Reg. No. 06-C4R-0566**

Dear Mr. Meyer:

In a letter dated April 17, 2013, the Village of Minster composting facility was issued a notice of violation of OAC Rule 3745-560-03 for failure to submit a class IV composting facility plan view drawing by February 1. In response to this violation, you have provided documentation to demonstrate that the plan view drawing was submitted to Ohio EPA on September 11, 2012. Upon further review, Ohio EPA has determined that the Village of Minster Class IV composting facility, Reg. No. 06-C4R-0566, satisfied the plan view drawing requirement as stated in OAC Rule 3745-560-03. The notice of violation issued from this office on April 17, 2013, has been rescinded and removed from your file.

If you have any questions regarding this letter, please contact me by telephone at (614) 728-5344 or by email at [barry.chapman@epa.ohio.gov](mailto:barry.chapman@epa.ohio.gov).

Sincerely,
