S and T Repair
Complaint # 2664
Wood County
NOV/RTC

June 25, 2007

Mr. Shane Wansitler
S and T Repair
360 Jerry Street
Jerry City, Ohio 43437

Dear Mr. Wansitler:

On June 12, 2007, Ohio EPA conducted a complaint investigation of S and T Repair (S and T), which is located at 360 Jerry Street, Jerry City, Ohio. The purpose of this visit was to investigate a complaint received by the Division of Hazardous Waste Management (DHWM) with concerns about S and T properly disposing of their used oil. The investigation included a tour of the facility and a review of S and T's disposal practices.

S and T is an automobile repair shop (oil changes, etc). S and T's used oil is currently being sent to Advance Auto Parts (used oil collection center) in accordance with Ohio Administrative Code (OAC) 3745-279-24.

S and T was found to be handling there used oil properly. However, during the complaint investigation, I found the following violation of Ohio's hazardous waste laws.

**1. Used oil storage requirements - proper labels.
OAC 3745-279-22 (C) (1)**

Containers used to store used oil shall be labeled or marked clearly with the words "Used Oil."

S and T failed to mark all their containers that store used oil with the words "Used Oil."

In order to abate this violation, S and T must mark or label the containers that store used oil with the words "Used Oil" immediately. At the time of inspection, S and T labeled the containers with the words "Used Oil." **Therefore, this violation is abated.**

Ohio EPA will issue an EPA ID number to track our inspection activity at S and T. S and T can not use this number for manifesting hazardous waste shipments. If S and T wants to use an EPA ID number for manifesting and other hazardous waste, used oil or universal waste activities, S and T must complete and submit a Notification of Regulated Waste Activity form (EPA Form 9029 (Rev. 11/2002)) to Ohio EPA. This form is available on our Web page at <http://www.epa.state.oh.us/dhwm/notiform.html> or S and T can call me at (419) 373-3058 or the Division of Hazardous Waste Management, Central Office, RIS at (614) 644-2977 and we will mail you a copy.
