Subject: Rescind of Notice of Violation for Failure to Issue Lead Consumer Notice

Dear Mr. Betscher:

Ohio EPA acknowledges that verification of Lead Consumer Notice was previously received for 2011 and your public water system was not required to issue Lead Consumer Notice in 2012. The February 1, 2013 Notice of Violation (NOV) for Failure to Issue Lead Consumer Notice for the June through September 2012 monitoring period was issued by mistake. Therefore, this NOV has been rescinded.

If you have any questions, please call me at (614) 644-2752.

Sincerely,

Kenneth Baughman
Division of Drinking and Ground Waters
