Dear Mr. Davis:

Thank you for your May 16, 2013 response to Ohio EPA's May 6, 2013 Notice of Violation. The documentation submitted included copies of weekly inspections and digital photographs demonstrating that hazardous waste containers were properly labeled. A digital photo of emergency contact phone numbers posted by the phone was also submitted.

My review of this documentation reveals that Survitec Group has now abated all violations discovered during the April 24, 2013 inspection as listed below.

3.	OAC Rule 3745-65-33, Testing and Maintenance of Equipment
