WARNING LETTER

Dear Mr. Hughes:

On November 20, 2012, the Regional Air Pollution Control Agency (RAPCA) received a report from Public Health, Dayton & Montgomery County, and the Montgomery County Sheriff's Office concerning the open burning that was occurring at 6801 Dayton Liberty Road, Montgomery County, OH.

The reports received documented the open burning that occurred on this property on November 15, 2012. Several burn sites in excess of eight feet in diameter were documented containing tires, painted wood, plastic, and other misc. solid waste.

This open burning is a violation of the following regulations:

- 1) Ohio Administrative Code (OAC) rule: 3745-19-04, Open Burning in Unrestricted Areas.
- 2) Montgomery County Combined General Health District Air Pollution Control Regulations (MCCGHDAPCR) rule: 3745-19-04, Open Burning in Unrestricted Areas.

Mr. Glen Hughes
November 28, 2012

RAPCA also contacted the Fire Department to make them aware of this complaint and the reports cited above. This letter serves as an official warning from the Regional Air Pollution Control Agency to cease all open burning in violation of both state and local air pollution control regulations.

RAPCA believes the above open burning to be a serious matter and requires that, within 14 days of receipt of this letter, you submit a written commitment to maintain compliance with all open burning regulations in the future. This commitment shall include a detailed plan for disposing of any of the remaining waste materials that were intended to be burned. The manner of waste disposal shall comply with all applicable air and solid waste regulations.

In the future, alternative means of disposal must be employed. Any future illegal burning may result in enforcement action against you which may include civil and/or criminal penalties.

If you have any questions regarding this matter, you may contact me at 937-496-6751.

Sincerely,

Jason C. Simon
Air Pollution Control Specialist
