Dear Mrs. Argabrite:

Thank you for your responses to Ohio EPA's April 26, 2013 Notice of Violation letter. Your responses were received via email on May 8 and 21, 2013. Documentation that you submitted included analytical results for firebrick and waste disposal documentation. Based on this information, no further investigation of your facility property is required.

My review of this documentation reveals that JABO has now abated all violations discovered during the April 18, 2013 inspection.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at donna.goodman@epa.state.oh.us.

Sincerely,

Donna Goodman
Inspector
Division of Materials and Waste Management
