Dear Mr. Mir-Salimi:

This letter acknowledges receipt of correspondence from you dated May 23, 2013 responding to Ohio EPA's Notice of Violation (NOV) letter dated March 15, 2013.

The documentation provided by this correspondence included documents from annual RCRA training held on May 18, 2013 and a commitment to conduct annual training in the future. My review of that documentation indicates that A-Brite Plating Co. has adequately demonstrated abatement of the all violations identified during the March 7, 2013 inspection and cited in my letter of March 15, 2013, specifically:

1. **OAC Rule 3745-273-13(D)(1) Small Quantity Handler Must Contain Lamps In Proper Containers Or Packaging And Containers Or Packaging Must Be Closed.**
2. **OAC Rule 3745-65-16(C) – Annual Review Of Initial Training.**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
