Dear Mr. Dieble:

Thank you for your June 6, 2013 e-mail response to Ohio EPA's May 15, 2013 Notice of Violation letter. The documentation you submitted included a statement of Advanced Auto Glass' universal waste lamp policy.

My review of this documentation reveals that Advanced Auto Glass has now abated the violation discovered during the April 25, 2013 inspection as listed below.

| Letter Citation # | Rule Citation |
|-------------------|---------------------------------------|
| 1. | OAC Rule 3745-52-11, Waste Evaluation |

If you have further questions, please feel free to call me at (330) 963-1231. You can also find copies of the rules and other information on the Division of Materials and Waste Management's web page at: <http://www.epa.state.oh.us/dhwm/>.

Sincerely,

Tom Roth
