Mr. Craig Mullett  
Maaco Collision Repair and Auto Painting  
6623 Greenfield Circle  
N. Canton, Ohio 44720

Dear Mr. Mullett:

Thank you for your May 28, 2013 e-mail response to Ohio EPA's May 24, 2013 Notice of Violation letter. The documentation you submitted included a statement indicating the universal waste lamps generated by Maaco will be accumulated in accordance with universal waste rules and recycled every six to eight months.

My review of this documentation reveals that Maaco has now abated the violation discovered during the May 22, 2013 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation

Should you have any questions, please feel free to call me at (330) 963-1231. You can also find copies of the rules and other information on the Division of Materials and Waste Management's web page at: <http://www.epa.state.oh.us/dhwm/>.

Sincerely,

A handwritten signature in blue ink that reads "Tom Roth".
