Mr. Clifford Hunt, Owner  
C. R. Hunt, Inc.  
P. O. Box 304

Defiance, Ohio 43512

Dear Mr. Hunt:

This letter shall serve to resolve the Notice of Violation (NOV) issued to your facility on April 9, 2013. The Division of Air Pollution Control (DAPC) has reviewed the company's letter dated April 23, 2013, which responded to the NOV that was generated following a site visit conducted on March 20, 2013. C.R. Hunt has addressed the violations identified in the NOV with the following:

- (1) The facility has chosen to pursue recycling options for all plastics, metal and recyclable material. In addition, you have agreed to operate the heating furnace in accordance with Ohio EPA's regulations by using only clean seasoned firewood and clean wood pallets as fuel.

Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions or comments concerning this letter, please feel free to contact me at the above referenced address, by email at [Alyse.Johnson@epa.ohio.gov](mailto:Alyse.Johnson@epa.ohio.gov) or call (419) 373-3110.

Sincerely,

A handwritten signature in cursive script that reads "Alyse Johnson".
