Freedom Mold & Machine  
7661 Freedom Ave., NW  
N. Canton, Ohio 44720

Dear Mr. Johnson:

Thank you for your June 18, 2013 e-mail response to Ohio EPA's June 14, 2013 Notice of Violation letter. The documentation you submitted included a statement indicating the facility's used oil will be recycled when the accumulation container is filled.

My review of this response reveals that Freedom Mold has now abated the outstanding violation discovered during the May 22, 2013 inspection as listed below:

Letter Citation #	Rule Citation
1.	OAC 3745-279-71(A)(B); Prohibitions on Used Oil Fuel Marketers

Should you have any questions, please feel free to call me at (330) 963-1231. You can also find copies of the rules and other information on the Division of Materials and Waste Management's web page at: <http://www.epa.state.oh.us/dhwm/>.

Sincerely,

Tom Roth
