Re: Sandusky County
Premier Dent Removal
Return to Compliance

June 28, 2013

Mr. Jeremy Russell, Owner
Premier Dent Removal
121 North Ohio Avenue
Fremont, Ohio 43420

Dear Mr. Russell:

On March 12, 2013, the Ohio EPA, Division of Air Pollution Control issued a Notice of Violation to Premier Dent Removal for failure to obtain a Permit-To-Install and Operate prior to installation and operation of a coating operation.

As of June 25, 2013, by showing that the coating operation qualifies as a "de minimis" source, the company has resolved the above mentioned violation and has returned to compliance.

Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions concerning this letter or the regulations, please feel free to call me at (419) 373-3137 or e-mail at thomas.cikotte@epa.state.oh.us.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas C. Cikotte".
