Dear Mr. Barrick:

Ohio EPA has received a complaint of illegal disposal of solid waste on property you own in Noble County. This property is located off State Route 213, across from the Seneca Resorts property. I conducted an investigation of this location on June 27, 2013. During this visit, I observed the disposal of blue plastic drums.

Illegal disposal of solid waste is a violation of the Ohio Administrative Code (OAC). Specifically,

**OAC 3745-27-05(C)** - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

All illegally disposed material must be removed for proper disposal. You should retain receipts to document proper disposal. Please respond back to me at 740/380-5219 to discuss your intentions to abate this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter C. Thompson".
