Dear Mr. Wolfe:

On June 19, 2013, Vicky German and I performed a compliance inspection of your facility to determine its compliance with Ohio's hazardous waste laws and regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on our observations during this inspection, a notice of violation letter was sent to you on June 28, 2013. On July 3, 2013, I received your response which included a receipt for bulb recycling through American Lighting and stated that spent bulbs would be stored in boxes from new bulbs. Based on this information, you have now returned to compliance with the following hazardous waste regulations:

- (i) OAC rule 3745-52-11 Hazardous waste determination.

You have abated all violations cited from the June 19, 2013 inspection.

If you have any questions, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
District Representative
Division of Materials and Waste Management
