Dear Mr. Lewis:

Thank you for your February 2, 2007, response to Ohio EPA's January 16, 2007, Notice of Violation letter. Your letter included a photograph demonstrating Tennessee Gas Pipeline's (TGP) compliance with universal waste storage and labeling requirements. TGP also responded as requested to Ohio EPA's comments about sandblast storage and waste paint disposal.

My review of this correspondence reveals that TGP has adequately demonstrated abatement of all violations discovered during the December 19, 2006 and December 29, 2006, inspection site visits.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
