Dear Mr. Bean:

On August 28, 2007, Melody Stewart and I performed a compliance inspection to determine your facility's compliance with Ohio's hazardous waste and solid waste laws and regulations as found in Chapter 3734. of the Ohio Revised Code (ORC) and Chapter 3745. of the Ohio Administrative Code (OAC). This letter will explain the hazardous waste violations we found and what you need to do to correct the violations.

Based on this inspection, a notice of violation letter was sent to you on August 31, 2007. I received your response on September 27, 2007. Based on the photographs and information you provided, Jones Metal has returned to compliance with the following hazardous waste regulation:

- (i) OAC Rule 3745-52-11, Hazardous Waste Determination.

You have abated all violations found during the August inspection. If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
