Mr. Buddy Hale
Coshocton County Memorial Hospital
1460 Orange Ave.
Coshocton, Ohio 43812

Dear Mr. Hale:

On September 26, 2007, I performed an inspection to determine Coshocton County Memorial Hospital (CCMH)'s compliance with Ohio's hazardous waste laws regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on this inspection, a notice of violation was sent to you on October 2, 2007 and on October 29, 2007, I received your response. Based on the documentation you provided with that response, CCMH has returned to compliance with the following hazardous waste regulations:

- (i) OAC rule 273-13(D)(1), Waste management-standards for small quantity handlers of universal waste;
- (ii) OAC 3745-273-14(E), Labeling/marketing standards for small quantity handlers of universal waste;
- (iii) OAC rule 3745-273-15(C), Accumulation time limits.

CCMH has now abated all violations cited during the September 26, 2007 inspection.

If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
District Representative
Division of Hazardous Waste Management
