Dear Mr. Markee:

On May 3, 2011, Donna Goodman and I inspected the Recast Energy site (formerly Intrinergy) facility in Coshocton, Ohio to determine Recast Energy's compliance with Ohio's hazardous waste laws and rules as found in Chapter 3734. of the Ohio Revised Code (ORC) and the regulations promulgated thereunder, Chapter 3745. of the Ohio Administrative Code (OAC).

Based on this inspection, a notice of violation letter was issued to Recast Energy on May 5, 2011. Based on my August 29, 2011 site visit and the analytical documentation provided, Recast Energy has returned to compliance with the following hazardous waste regulation:

- (i) Hazardous waste determination, OAC rule 3745-52-11.

Recast Energy has now abated all violations cited from the May 3, 2011 inspection.

Should you have any questions, please feel free to contact me at (740) 380-5278.

Sincerely,

Rich Stewart
