Re: Perry County
DFFO Notice of Violation
Correspondence (PWW)

Perry County Board of Commissioners
121 W. Brown Street
New Lexington, Ohio 43764

Dear Commissioners:

This letter is to provide written notification that you have violated a condition of Director's Final Findings and Orders (DFFO's) dated January 27, 2012. The orders cover the unincorporated areas of Rehoboth, Old Rainer Road, and Moore's Junction.

Item V (1.) of the director's orders required you to submit a general plan for sewage improvements or other methods of correcting the unsanitary conditions and pollution concerns within 180 days from the effective date of the orders (by July 27, 2012). You have not submitted the general plan to-date.

On July 26, 2013, Jennifer Witte, Enforcement Supervisor, Division of Surface Water, and I spoke to you in a conference call regarding these matters. We understand the general plan required by the DFFO's will be submitted no later than October 1, 2013.

Please be advised that failure to comply with the DFFO's issued on January 27, 2012, may be cause for further enforcement.

If there are any questions, please contact this office.

Sincerely,

A handwritten signature in black ink that reads 'Dan Messerly'. The signature is written in a cursive, flowing style.

Dan Messerly
District Representative
Division of Surface Water
