Dear Ms. Ream:

Thank you for your June 4, 2013, response to Ohio EPA's May 28, 2013, Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating the 2 satellite accumulation area containers containing chrome debris were labeled with the words "Hazardous Waste". The labeling occurred on April 15, 2013.

My review of this documentation reveals that Teikuro abated the violation discovered during the April 15, 2013, inspection as listed below.
