Re: Athens County
Open Burning
Complaint 30002887

Mr. Michael Hicks
9025 Five Points Road
Athens, Ohio 45701

Dear Mr. Hicks:

I am writing this letter in response to a complaint received by this office June 19, 2013. The complaint alleges that you burn trash and household wastes at your home on Five Points Road, Athens.

On June 27, 2013, I investigated this complaint and spoke to you. Evidence of the open burning of paper and household trash was observed. As I explained at that time, plastics and garbage cannot be open burned anywhere in Ohio.

To open burn residential waste such as paper, leaves, tree trimmings, cardboard, etc., the property must be located in an unrestricted area (as your property is) and the burn site must be at least 1,000 feet from any inhabited building not on your property. Because there is not a burn site location on your property that is at least 1,000 feet from any inhabited building not on your property, you cannot open burn residential waste at this location.

You are permitted to have a cookout or campfire using clean, seasoned firewood if the fire is not more than two feet in height and not more than three feet in diameter. The fire must be put out when the cookout/campfire is over and cannot be left unattended.

Open burning of improper waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. I gave you a pamphlet that explains this rule. All open burning in violation of the requirements specified in OAC rule 3745-19-04 must stop immediately. If you continue to open burn improper waste materials at this location legal action may be taken against you.

If you have any questions regarding this matter, please contact me at 740-380-5217 or 1-800-686-7330.

Sincerely,
