RE: Rescinding Violation - TCR

Dear Public Water System Owner:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on July 31, 2013 for the April - June 2013 monitoring period. Samples were collected on April 11th and June 20th, but the results were not reported until August 1, 2013. This late reporting was due to the fact that you completed forms for a private water system instead of a public water system when you dropped your samples off for analyses.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact me at (937) 285-6476.

Sincerely,

Robert A. Moore
