**Subject: Rescinding Violation – TCR**

Dear Public Water System Operator:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on July 31, 2013 for the April - June 2013 monitoring period. The required sample was collected on June 17th, but originally reported as a special purpose sample. Recent communication with the reporting laboratory revealed some of the information on this report was submitted incorrectly by them. We have updated our records to reflect compliance during this monitoring period.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact me at (937) 285-6417.

Sincerely,

  
Mark J. Verbsky, R.S.  
Environmental Specialist  
Division of Drinking and Ground Waters
