RE: ADVANCED REPAIR CO.
OHRO00177238
CUYAHOGA COUNTY
RETURN TO COMPLIANCE

John Novak
Advanced Repair, Co.
4125 Bradley Road
Cleveland, OH 44109

Dear Mr. Novak:

I have received your August 6, 2013 letter and its attachments. I also spoke with Diane Novak on the phone on August 7, 2013. As outlined below, you have documented a correction of all the violations cited in my July 22, 2013 letter which was based on my June 20, 2013 inspection of Advanced Repair Co. located at 4125 Bradley Road, Cleveland, Ohio.

1. **OAC Rule 3745-279-22(C) - Used oil labels.**

You have confirmed that all of the used oil was shipped offsite on June 27, 2013. This documents your correction of this violation.

2. **OAC Rule 3745-279-22(D) - Response to releases of used oil.**

Your letter documented the cleanup of this release. In addition, when I spoke with Diane on August 7 she confirmed that the waste generated from the cleanup (about a 5-gallon bucket full of it) will be disposed as a solid waste. This documents your correction of this violation.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.ohio.gov.

Sincerely,

Robert Almquist
Division of Materials and Waste Management
