COMPLAINT #7619
OHR000177097
RETURN TO COMPLIANCE

Ken Boatright, President
Kuntzman Trucking
13515 Oyster Rd.
Alliance, OH 44601

Dear Mr. Boatright:

Thank you for meeting with Paul Dolensky and me on August 6, 2013. The purpose of our visit was to conduct a return to compliance inspection at Kuntzman Trucking.

Based on our observations and your email response documentation of July 9, 2013, Kuntzman Trucking has been returned to compliance with the following violations noted during Ohio EPA's May 29, 2013 inspection.

1. **Ohio Administrative Code (OAC) 3745-279-22(C)(1)**; containers and above ground tanks that are used to store used oil must be labeled with the words, "Used Oil".
2. **OAC 3745-279-22(D)**; the generator must respond to used oil releases and perform cleanup steps.

No further action is required by you.

Should you have any questions, please feel free to call me at (330) 963-1162 or email me at marlene.kinney@epa.ohio.gov

Sincerely,
