Ms. Christy Aeh  
Administrative Director of Safety  
Southern Ohio Medical Center (SOMC)  
1805 27<sup>th</sup> Street  
Portsmouth, Ohio 45662

Dear Ms. Aeh:

Thank you for your recent responses to Ohio EPA's July 24, 2013 Notice of Violation letter to Southern Ohio Medical Center's (SOMC) Main Campus.

The documentation you submitted on July 31, 2013 demonstrated that SOMC's Main Campus has arranged with PSC Environmental to manage all spent lamps as universal waste to be recycled. Documentation you submitted on August 7, 2013 included copies of signed manifests for all off-site shipments of hazardous waste from SOMC to Petro-Chem Processing for one year; photographs showing that containers of hazardous waste in satellite accumulation areas are labeled; and photographs showing that containers of hazardous waste in the hazardous waste storage area are clearly labeled with the accumulation start date and that the labels are visible for inspection. Documentation you submitted on August 8, 2013 included photographs demonstrating that the 55-gallon drum of used oil has been appropriately labeled.

My review of the documentation you submitted reveals that SOMC's Main Campus has now abated all violations discovered during the July 10, 2013 hazardous waste inspection.

If you should have any questions or need assistance, please feel free to contact me at 740-380-5237 or [vicky.german@epa.ohio.gov](mailto:vicky.german@epa.ohio.gov).

Sincerely,

Vicky D. German  
Division of Materials and Waste Management  
Ohio EPA, Southeast District Office

VDG/mr
