Dear Mr. Fain:

Thank you for your response to Ohio EPA's July 3, 2013 Notice of Violation letter. The documentation you submitted included revised pages of Kraton Polymer's contingency plan which specified emergency coordinator names and addresses, emergency equipment capabilities, and the conditions under which the plan would be implemented.

My review of this documentation reveals that Kraton Polymers has now abated all violations discovered during the June 19 and 20, 2013 inspection.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at [donna.goodman@epa.state.oh.us](mailto:donna.goodman@epa.state.oh.us).

Sincerely,

Donna Goodman  
Inspector  
Division of Materials and Waste Management
