Termination of Director's Final Findings and Orders

Dear Mayor Ellis:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders (Orders) issued to you on August 23, 2011. DDAGW has verified that all outstanding obligations under the Orders have been performed.

Therefore, as of the date of this letter, the Orders issued to The City of Fremont on August 23, 2011 are terminated. This termination in no way relieves the City of Fremont's public water system of responsibility for future compliance with Ohio's safe drinking water laws.

Should you have any questions regarding Ohio EPA's termination of the Orders, please contact Holly Kaloz, Ohio EPA Enforcement, at (614) 644-2752.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael G. Baker'.
